

A MESSAGE TO OUR POLITICAL LEADERS ON BEHALF OF **1.6 MILLION VICTORIANS**

Premier, The Hon. Daniel Andrews MP
Leader of the Opposition, Matthew Guy MP

A message to our political leaders on behalf of 1.6 million Victorians

Dear Premier Andrews and Leader of the Opposition Matthew Guy,

We are writing to you on behalf of 1.6 million Victorians who own or live in residential apartments. Their interests represent a \$300 billion property portfolio in Victoria. They are demanding Strata Reform from the next Victorian Government and they won't accept empty political promises.

We are asking you to commit your political party to the following three broad policy headings before the November State Election with a view to seeing them enacted within 100 days of taking office:

- Laws to completely protect against wild short stay parties
- Sweeping strata reforms comprising scores of overdue updates
- Strong protections for owners affected by flammable cladding

To register your support for the
Strata Reform campaign, head to
www.stratareform.com.au

1.6 million Victorians want Strata Reform within 100 days of the newly elected Victorian Government taking office after the November 24 State Poll.

We will remain completely apolitical but we will urge the 1.6million Victorians who live in strata buildings, to vote for the candidate or political party that will deliver Strata Reform within 100 days of taking office.

Yours sincerely,
