COMPANY INFORMATION:

Priority One Building Services is a committed provider of Strata Building Services boasting 20 years of specialised experience exclusively in this field.

We look after many Owner's Corporation and Owner's Corporation Managers throughout Melbourne and the Mornington Peninsula both for emergency after hours services along with their general building maintenance requirements.

We also work closely with the Strata Insurance Companies to ensure a smooth transition from the emergency response through to the claim process and repairs where required.

Our friendly and experienced administration team is able to adeptly handle Strata's unique challenges with customer satisfaction being our ultimate goal.

SERVICES WE OFFER:

- 24 Hour Emergency Call Out Services for Owner's Corporations and Management companies.

We have a dedicated after hours number manned by our call centre.

Upon receiving a call we respond promptly and coordinate the necessary trades and ensure the emergency is addressed to minimise damage. All of our trades are fully licenced and provide us with a rundown of works carried out which we relay to you first thing the following morning.

- Maintenance and Building Services Repairs & Quotations for Owner's Corporations and Management companies using fully qualified and licenced Strata Specialist tradespersons for all jobs big and small. Whether you need a Roof Report or Leak Detection, Priority One Building Services can co-ordinate it for you.
- Qualified Restoration Services equipped with the latest cutting edge equipment proficient in mould remediation and flood restoration to ensure a healthy safe environment is restored leaving the area clean and mould free.

As the strata industry evolves, so too does ROSCON.
